

## WELCOME TO GLOBAL RESCUE

H+I Adventures partners with Global Rescue to offer its clients access to emergency medical and security advisory and evacuation services during their trip.

Whether you're seeking advice or immediate medical or security assistance, speak to an expert at Global Rescue on the first call. Global Rescue operations centers are staffed by experienced nurses, critical care trained paramedics and military special operations veterans.

Global Rescue pioneered worldwide field rescue. Operations teams are standing by and can evacuate you from your point of illness or injury to the nearest appropriate health care facility.
